DETAILED ACTION

Allowable Subject Matter

1. The indicated allowability of claims 1, 3-6, 8-19 and 21 are withdrawn in view of the newly discovered reference(s) to Seavey. Rejections based on the newly cited reference(s) follow.

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1, 3-6, 8-19 and 21 are rejected under 35 U.S.C. 102(b) as being anticipated by Seavey ('240). Seavey ('240) discloses a shield (a) having a rear wall (a2) located between the light source (L) and the viewer, wherein the rear wall has a top edge and a bottom edge, and is formed to partially enclose the light source; b) at least one attachment arm (2, 3, and 4) for attaching the shield to a fixed object; and c) an aperture (see figure 1 near a2 where light source extends through aperture) in the rear wall of the shield, wherein the aperture is contiguous with the bottom edge of the rear wall and wherein a rear portion of the light source is positioned within the aperture.

Note: The recitations of "in-ground floodlight" is intended use language and given little patentable weight

Response to Arguments

Applicant's arguments with respect to claims 1, 3-6, 8-19 and 21 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

Applicant's amendment filed 09/11/06 necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
